

Enrollment Packet

Dear Parent,

Thank you for your interest in The Villages Charter School Autism Center. Our School is dedicated to meeting the educational needs of students on the autism spectrum. The center supports students' academic, social, and emotional development through a combination of individualized instruction, specialized programs, and targeted therapies provided by our highly trained staff. Through incorporating principles of Applied Behavior Analysis (ABA), students will receive the therapy they need in a nurturing educational environment focused on individualized learning and growth.

Students who attend the Autism Center must have an Individual Education Plan (IEP) which meets specific criteria. To qualify, a student's IEP must have Autism Spectrum Disorder (ASD) eligibility. For students starting Kindergarten only, if the student does not have an IEP with ASD eligibility, a medical diagnosis of ASD and an IEP with developmental delay eligibility will be accepted. Please note that if you are submitting a medical diagnosis, a full medical report indicating a diagnosis on the autism spectrum by Diagnostic and Statistical Manual of Mental Disorders (DSM) standards is required.

The Villages Charter School Autism Center, LLC (TVCS AC) is a subsidiary of The Villages Charter School, Inc. which operates by a charter agreement approved by the Sumter County Board of Education and the Florida State Department of Education. Unlike traditional county schools, our enrollment criteria is based upon the place of employment of one of the parents/guardians rather than the geographic address of their home. Both The Villages Charter School ("VCS") and The Villages Charter School Autism Center, LLC (TVCS AC) are Charter in the Workplace schools (see also School of Choice).

Students must have one parent/guardians' who falls into the category of qualifying employment. Employment is verified on each new applicant, and will be verified on a monthly basis for all enrolled students.

Listed below are the categories of qualifying employment:

CATEGORY I – A Villages' Company or Salesperson under contract with Properties of The Villages.

CATEGORY II – Business Partner Sub-Contractors

- Business Partners under direct contract, other than a lease, with a Villages' Company providing independent contractor, construction, maintenance, consulting or other similar services in support of Villages' Projects.
- Under "direct contract" refers to the relationships between Category 2 Business Partners and a Villages' Company. The work and/or services provided to a Villages' Company must be regular and ongoing, and that work must be paid for directly from a Villages' Company.
- Business Partners in Category 2 whose book of business meets the Minimum Threshold Percentage for Villages' Projects may qualify for employee categorization that isn't solely dependent on the hours worked on only Villages' Projects.
- For businesses who perform regular and ongoing services to a Villages' Company but who also performs services for other businesses and/or the after-market consumer (non-Villages' Company), only that work provided to and paid for by a Villages' Company will be considered when determining eligibility, and only those employees performing those services on behalf of the Business Partner under direct contract are eligible for the benefits of The Villages Charter School.

CATEGORY III – Business Partners who lease directly from one of the commercial real estate entities in a Villages' company.

CATEGORY IV – Business Partners that own or lease a permanent business site from a non-Villages’ entity, from which they operate their business within The Villages. The Villages Charter School Enrollment Committee will review each applicant in this Category to confirm, in its sole discretion, that the Business Partner participates in and benefits the development and operation of The Villages.

Placement selection is based on the parent’s category of employment and priority is given to full-time employment (40 or more hours) versus part-time employment (under 40 hours). Priority is also given to students who have siblings already enrolled in The Villages Charter School.

ESE The Exceptional Student Education (ESE) Program is for children who have a disability. Sumter County is committed to meeting the unique needs of these children.
