2026-2027 School Year

Uniform Policy for Kindergarten - 8th Grade

This uniform policy has been created to ensure all learners have the opportunity to grow in an environment conducive to learning. It is our hope that holding learners accountable for these expectations will continue our success in growing your children into responsible, well-rounded individuals.

Uniform Shirts

Logo shirts are available in five different colors.

Outerwear

All outerwear must have a TVCS AC logo and must be purchased at the school store or through school programs; this includes sweatshirts. Learners can wear non-TVCS AC outerwear on cold weather days (below 45 degrees), but they must comply with all uniform policies once inside the school building.

All K-7 learners wearing shorts, skorts, or jumpers must follow the appropriate length guideline of no more than 2" above the knee and may be purchased from any vendor.

If a learner is **not** following the specified length requirement, then they will be required to wear pants or capris until their school-approved items are purchased.

Shoes

Athletic shoes with closed toes and backs due to the state-mandated daily PE requirement. Flip flops or sandals are **not** permitted.

To ensure that all learners meet our high expectations, Administration reserves the right to determine if any part of a learner's physical appearance is a distraction to the learning environment.

The following rules will be observed:

Shirts will be worn tucked in at all times, notwithstanding learner disability accommodations. Please help with this expectation by making sure your child is prepared upon exiting the family car. If a learner has tolerance concerns with tucking in a shirt, we will work with that learner to increase tolerance through a behavior plan.

- All undershirts must be plain white or the exact color of the uniform shirt worn (no writing or graphics).
- Shorts, skorts, and jumpers must be worn at no more than 2" above the knee.

School-issued picture ID must be worn at all times while on campus, notwithstanding learner disability accommodations. If a learner has tolerance concerns with wearing the ID, we will work with that learner to increase tolerance through a behavior plan.

- Undergarments cannot be exposed while standing, sitting, or bending over.
- Tights or leggings are permitted; however, leggings must be worn under the uniform bottoms and be the same color as the bottoms (only colors allowed are khaki/beige, black, grey, or navy); any length is acceptable as long as it looks like it is part of the uniform bottoms.
- Belts must be worn with all clothes having belt loops, notwithstanding learner disability accommodations.
- Middle and high school learners are required to dress out for P.E., when appropriate in the program (uniforms sold in school store).

- On special dress-up days, if a learner is not dressing in appropriate “theme” clothing, they must wear their regular uniform.
- Hair must be of a color that occurs naturally in human nature. Hair should be styled in a way that is not deemed a distraction to others. Examples of unacceptable hairstyles would be Mohawks.
- Facial piercings or other body alterations/displays and tattoos that are visible are prohibited.
- Hats or hoods on outerwear may not be worn indoors during the school day.
- In all dress, professionalism and appropriateness will be expected.
